1 Fabasoft Personnel File 2025 March Release

Find out more about new features and improvements in Fabasoft Personnel File.

1.1 Users

As an end user you can expect the following new features.

1.1.1 Assignments for Personnel Files and Applicant Files

Assignments such as company or personnel area can now be activated and managed in the personnel file configuration. The assignments can be assigned to personnel files and applicant files. Assignments grant employees rights to individual files.

2 Fabasoft Personnel File 2024 April Release

Find out more about new features and improvements in Fabasoft Personnel File.

2.1 Users

As an end user you can expect the following new features.

2.1.1 Unstructured Personnel File Shelves

For personnel file shelves containing more than 10000 entries, there are now unstructured shelves to make it easier to work with many personnel files. Personnel files can therefore be searched and filtered very quickly due to query-based lists.

2.1.2 Reports for Birthdays and Anniversaries

Birthdays and anniversaries are no longer managed as lists on the personnel file dashboard, but an Excel report is generated instead, which can be downloaded via the context menu "Download Birthdays/Anniversaries Report".

3 Fabasoft Personnel File 2024 February Release

Find out more about new features and improvements in Fabasoft Personnel File.

3.1 Users

As an end user you can expect the following new features.

3.1.1 Making the Use of Personnel Files Mandatory

There is now a new setting on the configuration or personnel file shelf that allows all documents created or registered in a personnel file to be created as personnel file documents.
